'Suddenly, there was someone who understood exactly what we were facing'

"Having been asked to leave our previous location in a wing at St Georges Hospital it became necessary to find long term premises and to that end we are in the process of preparing a 6 bedroom facility in a private house in Tala where we have been given

Our aim is to provide comfort and peace of mind. People are treated as individuals with respect shown for personal beliefs, lifestyle and culture. We care for people from all backgrounds and communities.

Patients come to us for symptom control, respite and end of life care. We are here to support through the challenging times ahead". Friends' Hospice

WE'RE EXCITED TO SHARE THAT OUR 2024 FACE TO FACE EVENT TOOK PLACE FROM 9-11 OCTOBER 2024

We're excited to share that our **networking event** took place from 9-11 October 2024, at the beautiful Azia Resort & Spa in Paphos, Cyprus! **See Group Photo.**

The gathering provided our Members with a fantastic opportunity to save time and reduce travel costs by **bringing everyone together for P2P meetings** in one convenient location.

Cyprus was the perfect backdrop for our international event, sitting at the crossroads of Europe, Asia, and Africa, where ancient history meets modern culture. Paphos, the historic capital of ancient Cyprus and a UNESCO World Heritage site, is renowned for its breathtaking natural beauty.

Before the event kicked off, **our guests had the chance to enjoy a jeep tour**, exploring some of Cyprus's hidden gems. They ventured through the stunning Akamas nature reserve and visited Lara Bay, along with charming villages and a picturesque gorge featuring incredible geological formations.

Later that day, everyone gathered to pick up their name badges and enjoy dinner on the beautiful Akamas Terrace. **See photos.**

The official event kicked off with **personalised 1-2-1 meetings** using our custom software. Since the system is 'live,' delegates could easily schedule new meetings on the spot if something changed, making the most of their time and ensuring they connected with as many companies as possible. **See photos.**

We also held our Annual Awards! The Head Office empowered its members by giving them the opportunity to nominate their peers across six categories. This initiative allowed members to **spotlight the most exceptional companies and individuals within the network**. [See photos.](#)

The winners that received the most nominations in each category and were awarded trophies were:

2024 Regional Award: Middle East & Africa
Total Logistics (Cargo Connections)

2024 Regional Award: The Americas
Delfino Global (Cargo Connections)

2024 Regional Award: Asia & Pacific
Spark Global Logistic (Cargo Connections)

2024 Regional Award: Europe
New CargoJet (Cargo Connections)

2024 Team Member of the Year
Linda Pitto of BASE (Cargo Connections)

2024 International Member of the Year
Atlantide Logistics France (Cargo Connections)

After lunch, we waved goodbye to the meeting room and embraced the sunny Cyprus weather with a **fantastic team-building session** on the hotel lawn! The fun-filled activity was all about strengthening our connections through games and challenges designed to encourage teamwork, problem-solving, and strategic thinking. It wasn't just about winning (though some teams certainly brought their A-game!), it was about the **camaraderie and shared memories that we created together** as one global family. [See photos.](#)

In the evening, we reunited for a Cyprus-themed celebration, complete with delicious national food and music. [See photos.](#)

The next day was packed with more engaging 1-2-1 meetings. These sessions are a great chance for members to **share insights and discuss both current and upcoming business.**

[See all our photo albums!](#)

On behalf of the entire Head Office Team, I would like to thank you all for making the time and effort to attend this event and we very much look forward to seeing you next year.
